

REMARKS

Reconsideration of the above-identified application is respectfully requested.

This amendment is responsive to the Ex Parte Quayle action issued November 16, 2004.

In the Ex Parte Quayle action dated November 16, 2004, the Examiner had maintained the requirement that a new formal drawing be submitted to correct defects recited in a prior Office Action mailed March 13, 2002 and which had been proposed to be corrected in applicants' first response submitted June 17, 2002. Applicant respectfully submits a new set of formal drawings as there has now been an indication of allowable subject matter.

Further in the Ex Parte Quayle action, the Examiner rejected Claims 16-32 under 35 U.S.C. §112, second paragraph, as comprising phraseology in claims 16 (lines 5 and 6) and Claim 22 (lines 6 and 7) that allegedly render the claims indefinite. In response, the applicant amends Claim 16 and 22 to address these rejections, particularly by substituting the word a to provide proper antecedent basis for later claimed terms ("first computing environment"). The Examiner is respectfully requested to remove the rejection of these claims.

Further in the Office Action, the Examiner has required the applicant to clarify the meaning of rejected Claim 32 which sets forth language that renders the claim allegedly indefinite. In response, applicant has amended the specification to render the claim clear and definite in the manner as suggested by the Examiner.

The Examiner is now respectfully requested to withdraw all of the rejections of this case and allow this case to proceed to issuance. Accordingly, it is respectfully requested that this application be allowed and a Notice of Allowance be issued. If the Examiner

believes that a telephone conference with the Applicants' attorneys would be advantageous to the disposition of this case, the Examiner is requested to telephone the undersigned, Applicants' attorney, at the following telephone number: (516) 742-4343.

Respectfully submitted,
